City of Mount Pearl
3 Centennial Street
Mount Pearl, NL A1N 1G4

Mayor Aker,

Congratulations on taking the first step in the Smart Cities Challenge.

On behalf of the Harris Centre of the Regional Policy and Development at Memorial University of Newfoundland, I am pleased to offer our support to the city as you proceed with the application process. As you know, the Harris Centre is a broker and facilitator between the University and various community partners.

We wish you every success with your submission.

Sincerely,
