Re: Smart Cities Challenge

To Whom It May Concern:

On behalf of the Board of Directors and members of the Mount Pearl Seniors Independence Group, I am writing this letter in support of the City of Mount Pearl's application to the Canada's Smart Cities Challenge.

The Mount Pearl Seniors Independence Group recognizes the great contribution that the City of Mount Pearl provides in making our community a great place for seniors to live. We fully support their desire to provide even more opportunities to help improve the lives of all individuals and families in Mount Pearl.

Should you require further information or wish to speak to me, I can be reached at 748-6485.

Sincerely,

Shirley Boone  
Chairperson
